A Note From Our Discipleship Pastor

Thank you to everyone who was able to make it to the Provo Mission Report Night & Evangelism Training! How exciting is it to hear how the Lord is working in and through our Annie Armstrong NAMB missionaries (and our church team being able to work alongside them)! Be sure to keep an eye out for upcoming missions opportunities coming down the road. Our Mission Strategy Team is so excited about Parkland developing these relationships and partnerships with church planters and missionaries all over the world. We are in the beginning stages of planning a Cuba mission trip (working with Pastor Eduardo—who will be leading one of our discipleship classes this semester). Our family mission trip for Labor Day weekend will be to Inez, Kentucky. Our youth and leaders will be going back to Youngstown, Ohio as we serve the many churches in their association. More info on our IMB missionary in the Middle East ("K") will be shared in the coming months too! We value missions here at Parkland and we are excited to be able to equip and empower our people to go and serve with missionaries to make disciples of all the nations!

A Note From Our Music and Children's Pastor

Children: Summer is rapidly approaching and we are beginning to put final details on our summer ministry opportunities. Vacation Bible School is the biggest ministry opportunity we have and if you would like to help we are having our annual VBS Training on Sunday, April 28, 2024 from 5:00 PM - 7:00 PM in the gym. This training is for anyone who is already helping or would like to help. If you have not been through our church prepared training we will have another one in May for our summer ministry opportunities.

Our Wednesday evening schedule will be changing beginning Wednesday, April 10. Our Children's and Preschool ministries will be from 6:15 PM - 7:15 PM for the next semester leading into summer. Our Preschoolers will switch between Mission Friends and Preschool Choir each week and we will have a schedule to handout soon. The biggest change for Children on Wednesday evening is that we will dismiss from the Children's Department not the gym so at 7:15 PM you will need to come the Children's department to pick up your children. As always we need volunteers to serve in these ministry areas and if you are interested please see Pastor Jason.

Worship: We have had a very successful Easter season and are now turning our attention to learning some new (or new to Parkland) worship music for the congregation as well as some great songs for special music so now is a great time to join the Worship Ministry either to sing, play a musical instrument, or help with the production side of the ministry.
