A Note From Our Music & Children's Pastor

Children's Ministry

It is that time of the year when we switch from our summer mode back to school mode and with that it also means promotion in the preschool, children, and youth ministries. On August 11, 2024, our kindergartners will promote to our children's department and the 5th graders will promote to our youth department. This also marks my first group of kids who promoted into the children's department right after I came and now, they are promoting into the youth department.

As we are starting this new church year, we are also going to start a new cycle of Sunday School Curriculum on September 1. Our Children's Sunday School will start a new three-year cycle of *The Gospel Project* for both Sunday Morning and Wednesday evenings. For our preschool department we are totally changing to a new curriculum from Group Publishing called *Hands-On Bible Curriculum* which is an object lesson approach. We are excited to be using these discipleship tools to help in the spiritual development of your children.

On Sunday, September 15, at 11:50AM we will have an open house for you to see your child's new room followed by a brief meeting and Q&A.

Worship Ministry

Choir will resume regular Wednesday rehearsals on August 28 in the sanctuary. As always if you play an instrument, like to sing, or like to work behind the scenes with worship ministry please see me.
