A Note From Our Lead Pastor

I want to thank all of you for your prayers and support as our team went to Holguin, Cuba. We return with greetings from our brothers and sisters at Iglesia Bautista Maranatha, as well as a host of other church plants and pastors. In Cuba, necessity has driven creativity and a New Testament church planting movement. The government in Cuba doesn't allow churches to be built, you can't just buy a piece of land and put a church on it. Instead, house churches are the only legal form of church. So, the churches in Cuba do just that, they buy a house for a pastor and his family to live in and expand it as much as possible to accommodate a congregation. But even before the room is filled, they are thinking about the next church plant. While we were there, we met Pastor Luis. His church, Elohim Adonai, is about 15 minutes outside of town, and has grown in the last 2 years to over 100 in attendance. But his heart is already set on the next venture. He sees himself like the Apostle Paul, the one who plants a church, raises up a pastor and then heads on to plant another and another. Continue to pray for our brothers and sisters in Cuba, that the Lord would give them boldness in the face of persecution, that He would raise up pastors and church planters to go, and that He would strengthen their churches to continue to stand for the gospel for many generations to come. If you'd like to learn more about what God is doing in Cuba, make plans to join us Wednesday, December 11 at 6:00PM in the sanctuary as our team shares more of what we learned.

Parkland Desert Trip

Many have expressed interest in our Middle East Mission Trip for November 2025. For this trip we will only be taking 7-10 individuals.

The first step for this trip is to fill out the pre-application form that the International Mission Board (IMB) requires (which will also include a background check). If you are interested in going on the trip, please scan the QR Code to start the process.

In the coming months there will be an information meeting scheduled that will share which country we will be traveling to, cost, trip details, etc. We will be working with our IMB Missionary (K) and her team.

If you have any further questions about this process, please contact me, 623-606-3211.
