A Note From Our Pastor

Over the last 2 years, our Vision Team has been working hard to discover and name what the Lord's vision is for Parkland. That's a lot of meetings, discussions, revisions, and prayer. Some may even wonder, "Just how far into the future are you trying to look!?" But even the term "vision" can be confusing. When we think of vision, often we think of a destination, of a numerical goal that we would like to reach someday. But vision is far more about naming the better future that we will all pursue together. It's a journey more than a destination. But vision is also the catchall term we use for a multifaceted process. You see, on April 14 as we launch our new vision for Parkland, we won't just present a vision statement, there are 4 key components that all point us to vision. First is mission, which answers the question, "What do we do?" Mission is the every day task of the church's effort. Next come values, which answer the question, "Why do we do it?" Values are the shared passions and convictions we hold that shape our decision making. After that is strategy, which answers the question, "How we will do it?" Strategy is where our boots hit the ground to accomplish our mission. Finally, is vision, which answers the question, "Where are we going?" or, "What is the better future we pursue together?" Every component is important and necessary. So, begin now to pray that the Lord would lead us together to pursue that which He desires for our church.

A Note From Our Music & Children Pastor

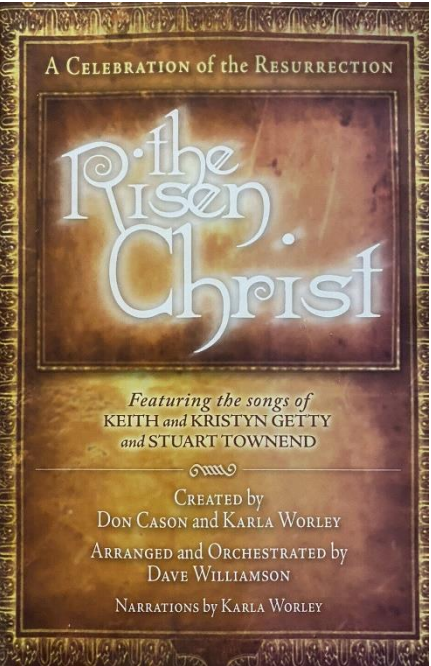

Children's Ministry

It's time for our annual Preschool and Children's Pajama night on February 9, 2024, from 6:00 PM to 8:00 PM. There will be sign-up sheets in both the Preschool and Children's Departments for you to sign-up so we can make plans.

We need help in our Wednesday evening Kids Connect for room helpers. If you are available to help, please see Pastor Jason ASAP.

Music Ministry

The Worship Ministry is back on our regular rehearsal schedule after a busy fall and Christmas season. We are happy to announce that we are working on our Easter Musical The Risen Christ every Wednesday evening at 7:00 PM in the sanctuary. This is a great time to join the worship ministry if you love to sing, play an instrument, or tinker with audio/visual stuff.

Master's Plan Parking Lot Project

We need to repave our parking lot due to damage over the years. The goal is to replace it late spring of 2024 to save money before a greater repair is needed. To do this we have a goal of raising \$230,000 in the Master's Plan Fund by the end of April. Currently the fund balance is \$124,851.
