February 2026 Edition

A Note From Our Lead Pastor

“How do I know God’s will for my life?” If I’ve asked it once, I’ve asked 100 times and so have you. As believers, we are uniquely sensitive to what God wants from our lives. This is a natural response to the salvation we have in Christ. We know that we are saved from sin but also saved FOR good works. The question on our minds is, which good works? If we aren’t careful, it can become an anxious compulsion rather than a trusting obedience. We think to ourselves, there must only be one right answer in every circumstance, and if I don’t get it exactly right, God will be displeased with me.

But what if we get the wrong answer because we are asking the wrong question? This is where *Experiencing God* begins. Over the next several months we will be participating in this timeless discipleship course on Wednesday nights. But even if you can’t make it on Wednesdays, this is an important topic to consider. Instead of asking, “what is God’s will for my life?” we must ask, “What is God’s will?” You see, our question is usually centered on me, not on God. We need to orient ourselves toward Him and His will first and then reorient our life around His will.

God is at work around you every single day, His will is being accomplished. Will we join Him where He is at work? This is the fundamental truth we must internalize; God is at work and I can and must join Him in His work. This week, try to actively shift your focus. Find where the Lord is at work and join Him there. We don’t have to dream up things for Him to do through us, we simply must join Him in the work He is already doing in our workplace, our home, and our world.

CHILDREN’S MINISTRY

VBS is coming! Please begin praying about how you can serve in this summer ministry. If you would like to help in VBS this summer but haven’t completed Parkland’s Background Check or our Safe Church Training, please see me to get this completed.

Our next ministry event will be our annual Preschool and Children’s Pajama Party Friday, February 13 from 6:00-8:00PM so mark your calendars.

MUSIC MINISTRY

The Worship Ministry would like you to join us in praying for our next accompanist and we are calling this our Psalm 150 Prayer Time. We are asking everyone to set their alarm for 1:50PM every day and pray for the person who will be our next accompanist. We are diligently seeking this person to join our ministry and if you know anyone, please let them know to reach out to us and also help us spread the word.

We have started working on Experiencing God The Musical which is our big push this spring. If you are involved in this study on Wednesdays or have sung in the choir in the past, we need you! We would like to have a full platform of people singing through this great musical. If you would like to sing, we do have childcare available by request.
