November 2026 Edition

A Note From Our Lead Pastor

In this time of transition, I've been using 4 words to help define our priorities: perspective, positivity, patience, and prayer. So, for the next few months, I want to use this space to talk about each priority and why it matters.

When I was in college, I had the opportunity to go on mission trips to the Andes Mountains of Peru, to a village called Huangascar. High up in those mountains, you begin to see the world around you a little differently. It felt like we could reach out and hold the stars in our hands at night. The sun sat on top of our heads in the afternoon. Even the air was different at 5,000 feet above sea level. The buildings we passed on our way up the mountain appeared to be microscopic looking back down.

Perspective is all about your vantage point, it's about how you view the world and those around you.

Often our perspective reaches no further than the end of our own noses. We live based on how we think and feel in any given moment, with no consideration for the bigger picture. But we serve a God who, "*sees the end from the beginning.*" If we could look at our situation from His perspective, what would we see? Would we see crisis and panic, or would we see a blip on the radar of eternity? Would our problems appear big or small?

Friends, we take comfort in knowing that while we only see what's in front of our eyes, the Lord sees everything. He knows where we are and what we are going through, and His eternal plan remains unchanged. God sees beyond this season of uncertainty to the good and sure future He has for us in Christ. So, let's remind ourselves of what is temporary and what is eternal. "*For our momentary light affliction is producing for us an absolutely incomparable eternal weight of glory*."

Pastor Chris

A Note From Our Student Minister

This is a **Good News / Bad News** Article. The **Good News** is that we are reaching more and more youth who come to Parkland without their parents. They fit in well and are learning about the love of Christ.
The **Bad News** is that because their parents don't come, they don't really understand the importance of participating in things. Like the Churchwide Camp Sponsored Thanksgiving Lunch held on Sunday, November 22.

Each year the youth and children's parents provide the food for the church-wide lunch. This year we could use some of you to bring an item and sponsor a youth. The list in the next column shows what we need. The food doesn't have to be homemade, just bought and cooked. We do not need a ton of any of these items, just maybe one or two. You can sign up on the Missions and Ministry board in the elevator foyer or just let me know.

9 x 13 pans of stuffing
9 x 13 pans of mac and cheese
9 x 13 pans of sweet potato casseroles
9 x 13 pans of broccoli casseroles
one dozen cupcakes
We could also use a couple of cooked turkeys. The turkeys will be provided; you just need to cook one. I will give instructions on all the above once you sign up. Thank you in advance!
