September 2026 Edition

A Note From Our Lead Pastor

It was never an accident that God placed us at 7206 Shepherdsville Rd. Local churches are just that, local. Which means that where we are matters. We are a gospel outpost in a lost and dying world. We are a force for good for those who live and work in our community. Which is why Kids Basketball is such an important ministry for us.

It’s one of the greatest connection building ministries we do. Not only are we meeting a felt need, to teach kids the game, but we also step up to meet a gospel need. You see, the greatest need of the families we will meet this basketball season is not just to come to church, it’s to have a personal, saving relationship with Jesus Christ. Our basketball league isn’t about basketball at all, it’s about Jesus.

We want to introduce people to the good news of salvation to all who will repent and believe. So, when we ask for folks to help serve, this is what we have in mind. When I ask you to pray, don’t just pray for physical safety, but spiritual transformation. Community connection matters, but salvation matters even more. Let’s make the most of this gospel opportunity and trust the Lord to show up in a powerful way this Kids Basketball season.
